### **Format of Synopsis for Desktop Application**

1. Title of the Project.
2. Objectives of the Project.
3. Project Category (DBMS / RDBMS / OOPS etc.)
4. Tools / Platform and Languages to be used.
5. Complete Structure of the System:
  - i. Numbers of Modules and its Description.
  - ii. Modular Chart / System Chart.
  - iii. Data Structures or Tables.
  - iv. Process Logic of each Module.
  - v. Types of Report Generation.
6. References.

**Note:** Synopsis should not be more than 3-4 pages.

### **Format of Synopsis for Web Application**

1. Title of the Project.
2. Objectives of the Project.
3. Project Category (DBMS / RDBMS / OOPS etc.)
4. Tools / Platform and Languages to be used.
5. Complete Structure of the System:
  - I. Number of pages and links their short description.
  - II. Use / Information of Pages.
  - III. Feedback Form (if any).
6. References.

**Note:** Synopsis should not be more than 3-4 pages.

### **Project Report Formulation**

Front Page.

College Certificate Page. Declaration Page.

Acknowledgment Page. Project Profile.

### **(A) Project and Classification of Marks on Project.**

Towards the end of the second year of study, a student will be examined in the course

#### **-Project Work**

- a. Project Work may be done individually or in groups (Maximum 3 students) in case of bigger projects. However if project is done in groups, each student must be given a responsibility for a distinct module and care should be taken to monitor the progress of individual student.
- b. The Project Work should be done using the tools covered in B.Com. (Computer Application) (BCCA).
- c. The Project Work should be of such a nature that it could prove useful or be relevant from the commercial / management angle.
- d. The project work will carry 100marks.
- e. Project Work can be carried out in the Institute or outside with prior permission of the Institute.
- f. The external viva-voice examination for Project Work would be held as per the Examination Time Table of the Third year of study, by a panel of one external and one Internal Examiner.

#### **Types of Project**

As majority of the students are expected to work out a project in some industry / research and development laboratories / educational institutions / software export companies, it is suggested that the project is to be chosen which should have some direct relevance in day-today activities of the candidates in his/her institution. The Applications Areas of project – Financial / Marketing / Database Management System / Relational Database Management System / E-Commerce / Internet / Manufacturing / web Designing / Scientific / ERP etc.

#### **Project Proposal (Synopsis)**

The project proposal should be prepared in consultation with the guide. The project guide must be a RTM Nagpur university approved teacher. The project proposal should clearly state the objectives and environment of the proposed project to be undertaken. It should have full details in the following form:
